

Risk Assessment Management (RAM) document for visiting Great War Exhibition Wellington

Purpose of this Document:

The purpose of this Risk Assessment Management document is to ascertain what possible risks education groups might be exposed to while visiting The Great War Exhibition and how those risks will be managed.

The Purpose of Risk Assessment is to:

- Identify possible risks and hazards;
- Incorporate measures that will eliminate or minimise identified hazards;
- Ascertain the action to control and minimise the extent of any injury.

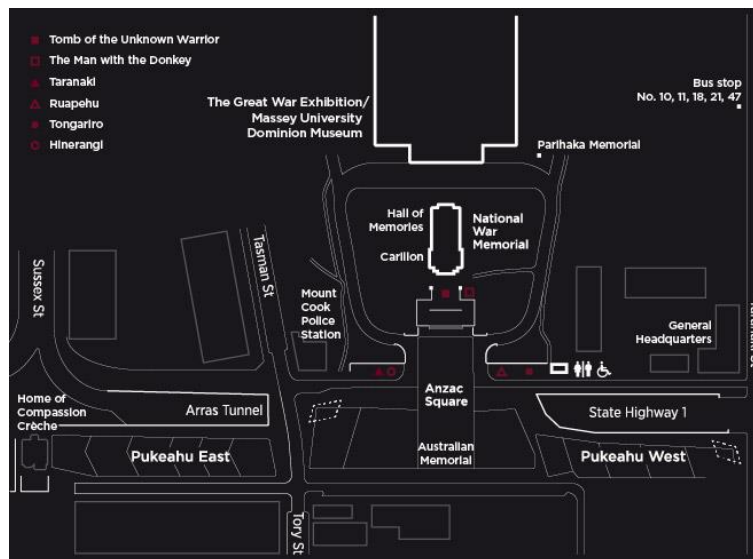

The Purpose of the Health and Safety at Work Act 2015:

- The main purpose of this Act is to provide for a balanced framework to secure the health and safety of workers and workplaces;
- To give regard to the principle that workers and other persons should be given the highest level of protection against harm to their health, safety, and welfare from hazards and risks arising from work or from specified types of plant as is reasonably practicable.

Recommendations for education visits and Holiday Programmes:

- For the purpose of this document, “Teacher” applies to the adult responsible for the safety of the group, including Holiday Programme staff/leaders. “Education programme” or “visit” refers to Holiday Programmes as well. “Student” refers to Education/Holiday Programme participants.
- Bookings for Education visits and Holiday Programmes are essential.
- This form is specific to visiting The Great War Exhibition. If your Education or Holiday Programme also includes time in Pukeahu National War Memorial Park, please take the time to also read the Pukeahu Park RAM which can be found [here](#).
- For Education visits, standard teacher-student ratios apply;
- There is a bus pick-up/drop-off area directly outside the entrance to The Great War Exhibition – however there are no parking areas for buses. The closest public bus parking is available on Tory Street, next to Mount Cook School. There is also pay and display parking available on site (cars only);
- The Great War Exhibition is wheelchair accessible. A number of wheelchairs and a walking frame are available to the public if necessary.

Please note:

The information provided above is current as at September 2017. It has been provided by The Great War Exhibition to assist teachers in their risk management planning for excursions.

Newly identified risks and hazards may be added to this RAM form from time to time or as needed.

If you discover a new hazard or if you have any concerns about your safety or the safety of your group, please inform our staff immediately.
